

SUPPORT A PENGUIN PROGRAMME

A fun way of contributing to our efforts is through the "Support a Penguin" Programme. . The cost per penguin is R600.00. This allows you the opportunity to name one of our patients and to follow the progress of "your" penguin, from hospitalisation, through rehabilitation and eventually to release. We will endeavour to keep you informed of the progress of "your" penguin via e-mail. You will also receive our Newsletter and be kept up to date about the happenings at the Rehabilitation Facility. **Please print the e-mail address clearly.**

DETAILS OF SUPPORTER: (This is the details of the person responsible for payment, in case of a gift, please supply the recipients details in the area provided)
